

Thursday, 5 September

10:00 - 10:20

ENDOCANNABINOID SIGNALLING AND ITS INVOLVEMENT IN PAIN

Open Forum organised by

Exhibition Area

Mauro Maccarrone (Italy)

12:15 - 13:45

FROM THEORY TO REAL WORLD EVIDENCE: WHAT CAN WE LEARN TO IMPROVE THE TREATMENT IN SEVERE CHRONIC PAIN? A NEW VIEW ON TAPENTADOL IN SEVERE CHRONIC PAIN

Symposium is organised and supported by

Auditorium 1A

Chair: Ralf Baron (Germany)

12:15 - 12:20 **CHAIR'S WELCOME**
Ralf Baron (Germany)

12:20 - 12:35 **DOES THE MECHANISM OF ACTION MATTER IN TREATMENT OF PAIN?**
Stephan Schug (Australia)

12:35 - 12:50 **FROM MECHANISM OF ACTION TO CLINICAL BENEFIT:
ATYPICAL OPIOID = TYPICAL OUTCOMES?**
Ralf Baron (Germany)

12:50 - 13:10 **TREATING PAIN WITH THE RIGHT ARMAMENTARIUM EARLY:
DOES IT MAKE A DIFFERENCE?**
Michael Überall (Germany)

13:10 - 13:35 **TRANSLATING TRIAL AND RWE LEARNINGS TO CLINICAL PRACTICE: HOW TO EFFECTIVELY
UTILIZE TAPENTADOL**
Flaminia Coluzzi (Italy)

13:35 - 13:45 **Q&A AND CLOSE**
Ralf Baron (Germany)

COMMUNICATING PAIN SCIENCE, WITH PATIENTS AND FOR PATIENTS

Symposium is organised and supported by

Auditorium 4C

Chair: Morten Hoegh (Denmark)

12:15 - 12:20 **WELCOME AND INTRODUCTION**

Morten Hoegh (Denmark)

CO-PRODUCTION: THE UNIQUE VALUE OF EDUCATIONAL MATERIAL FOR PEOPLE WITH CHRONIC PAIN DEVELOPED JOINTLY BY HEALTHCARE PROFESSIONALS AND PATIENT

12:20 - 12:30 **REPRESENTATIVES**

Neil Betteridge (UK)

PATIENTS AND HEALTHCARE PROFESSIONAL COOPERATION TO FOSTER PATIENT EDUCATION – A NATIONAL PERSPECTIVE

12:30 - 12:40

Marja Kinnunen (Finland)

12:50 - 13:25 **Q&A SESSION: TAKING STOCK OF EVIDENCE TO IMPROVE COOPERATION**

13:25 - 13:30 **CONCLUSIONS**

Morten Hoegh (Denmark)

NOT 'JUST CONSTIPATION': ADDRESSING OPIOIDS' NEGLECTED SIDE EFFECT

Symposium is organised and supported by

Hall 1B

Chair: Asbjørn Drewes (Denmark)

12:15 - 12:20	WELCOME INTRODUCTION Asbjørn Drewes (Denmark)
12:20 - 12:30	WHAT WE KNOW ABOUT OIC Asbjørn Drewes (Denmark)
12:30 - 12:45	PERSPECTIVES ON OIC FROM THE PATIENT AND PHYSICIAN Mike Bennett (United Kingdom)
12:45 - 13:05	EUROPEAN TREATMENT GUIDELINES: WHAT'S NEW? Bart Morlion (Belgium)
13:05 - 13:25	THE ROLE OF PAMORAS IN OIC Tony O'Brien (Ireland)
13:25 - 13:40	Q&A SESSION All faculty
13:40 - 13:45	CLOSE Asbjørn Drewes (Denmark)

PREPARING FOR THE ERA OF TARGETED THERAPY IN CHRONIC LOW BACK PAIN: A PATIENT-CENTRIC APPROACH

Medscape symposium supported by an independent education grant from Pfizer-Lilly.

Auditorium 3A

Chair: Thomas R. Tölle (Germany)

12:15 - 12:45	TREATMENT STRATEGIES FOR CHRONIC LOW BACK PAIN – A CASE JOURNEY Thomas R. Tölle (Germany)
12:45 - 13:30	PANEL DISCUSSION – CURRENT AND EMERGING THERAPIES FOR CHRONIC LOW BACK PAIN Thomas R. Tölle (Germany), Elon Eisenberg (Israel), Per Hansson (Sweden), Serge Perrot (France)
13:30 - 13:45	CLOSING SESSION – KEY MESSAGES AND AUDIENCE Q&A Thomas R. Tölle (Germany), Elon Eisenberg (Israel), Per Hansson (Sweden), Serge Perrot (France)

18:15 - 19:45

THE USE OF TOPICAL AND SYSTEMIC ANALGESICS TO TREAT BODY PAIN

Symposium is organised and supported by

Room 3F

Chair: Sarah Jarvis (United Kingdom)

- | | |
|---------------|---|
| 18:15 - 18:20 | WELCOME AND INTRODUCTIONS
Sarah Jarvis (United Kingdom) |
| 18:20 - 18:40 | IMPACT OF MUSCULOSKELETAL PAIN AND THE ROLE OF EARLY SELF-CARE IN PREVENTING ESCALATION TO CHRONICITY
Sarah Jarvis (United Kingdom) |
| 18:40 - 19:05 | PRODUCT CHOICES FOR THE TREATMENT OF MUSCULOSKELETAL PAIN
Angel Lanas (Spain) |
| 19:05 - 19:30 | THE ROLE OF PAIN MANAGEMENT AND LIFESTYLE CHANGES IN MANAGING MUSCULOSKELETAL PAIN
Hans-Georg Predel (Germany) |
| 19:30 - 19:45 | Q&A
Sarah Jarvis (United Kingdom) |

DECODING MIXED PAIN – A BLUEPRINT TO UNDERSTAND A POORLY DEFINED CONDITION

Symposium is organised and supported by

Room 4F

Chair: Rainer Freynhagen (Germany)

- | | |
|---------------|---|
| 18:15 - 18:20 | OPENING AND WELCOME
Rainer Freynhagen (Germany) |
| 18:20 - 18:45 | WHAT THE HECK IS MIXED PAIN?
Rainer Freynhagen (Germany) |
| 18:45 - 19:15 | DISTINGUISHING MIXED PAIN IN CLINICAL PRACTICE IN THE ABSENCE OF SPECIFIC TESTS
Stephan A Schug (Australia) |
| 19:15 - 19:45 | MIXED PAIN TREATMENT TODAY - PREDICTABLY UNPREDICTABLE?
Bart Morlion (Belgium) |

FEELING THE PAIN - PERSPECTIVES ON CHRONIC PAIN FROM PATIENTS, CLINICIANS AND EMPLOYERS

This symposium is funded and organized by Pfizer and Lilly in partnership with European Pain Federation EFIC and Pain Alliance Europe.

Room 2H

- | | |
|---------------|---|
| 18:15 - 18:30 | CAN WE TAKE THE PAIN OUT OF PAIN MANAGEMENT?
Bart Morlion (Belgium) |
| 18:30 - 18:45 | FEELING THE PAIN IS IN EVERYDAY LIFE
Brona Fullen (Ireland) |
| 18:45 - 19:00 | REDUCING THE STRAIN – SUPPORTING PEOPLE TO REMAIN PRODUCTIVE AT WORK
David Roomes (United Kingdom) |
| 19:00 - 19:15 | EXPLORING THE PAIN IN CLINICAL MANAGEMENT AND PATIENT PRIORITIES
Serge Perrot (France) |
| 19:15 - 19:40 | PANEL DISCUSSION – HOW CAN WE WORK TOGETHER FOR MUTUAL GAINS IN CHRONIC PAIN MANAGEMENT
Faculty facilitated by Brona Fullen (Ireland) |
| 19:40 - 19:45 | CLOSING MESSAGE
Serge Perrot (France) |

Friday, 6 September

10:00 - 10:20

ENDOCANNABINOID SIGNALLING AND ITS INVOLVEMENT IN PAIN

Open Forum organised by

Exhibition Area

Mauro Maccarrone (Italy)

12:15 - 13:45

BENEATH THE SKIN: ADVANCES IN PERIPHERAL NEUROPATHIC PAIN MANAGEMENT

Symposium is organised and supported by

Auditorium 1A

Chair: Burkhard Gustorff (Austria)

- | | |
|---------------|---|
| 12:15 - 12:20 | CHAIR'S WELCOME
Burkhard Gustorff (Austria) |
| 12:20 - 12:45 | PERSISTENT PERIPHERAL NEUROPATHIC PAIN RELIEF FOLLOWING QUTENZA TREATMENT: LOOKING UNDER THE SURFACE
Praveen Anand (United Kingdom) |
| 12:45 - 13:10 | THE PACE STUDY: NEW INSIGHTS - NEW HYPOTHESIS
Nathaniel Katz (USA) |
| 13:10 - 13:35 | PERIPHERAL NEUROPATHIC PAIN: WHAT MATTERS BEYOND PAIN INTENSITY?
Serge Perrot (France) |
| 13:35 - 13:45 | Q&A AND CLOSE
Burkhard Gustorff (Austria) |

THE EVOLVING ROLE THAT MEDICAL CANNABIS PLAYS IN PAIN MANAGEMENT: THE SPECIALIST'S PERSPECTIVE

Symposium is organised and supported by

Hall 1B

Chair: Paola Cubillos (Columbia)

- 12:15 - 12:45 **THE LATEST UPDATES ON CANNABINOIDS, THE ENDOCANNABINOID SYSTEM BIOLOGY, & THE PAIN PATHWAY**
Konrad F. Cimander (Germany)
- 12:45 - 13:15 **A REVIEW OF THE EFFICACY AND SAFETY OF MEDICAL CANNABIS IN PAIN**
Paola Cubillos (Columbia)
- 13:15 - 13:45 **GUIDELINES AND RESEARCH: WHERE WE ARE TODAY AND WHERE ARE WE GOING**
Arun Bhaskar (United Kingdom)

PAIN RELIEF, OPIOIDS AND CONSTIPATION: UNDERSTANDING A SIGNIFICANT AND COMMON PROBLEM

Symposium is organised and supported by

Auditorium 3A

Chair: Bart Morlion (Belgium)

- | | |
|---------------|--|
| 12:15 - 12:25 | INTRODUCTION: RESPONSIBLE USE OF OPIOIDS FOR PAIN MANAGEMENT
Bart Morlion (Belgium) |
| 12:25 - 12:45 | THE IMPORTANCE OF A HOLISTIC APPROACH FOR OPTIMAL PAIN MANAGEMENT IN SUPPORTIVE CARE
César Margarit (Spain) |
| 12:45 - 13:05 | INSIGHTS FROM BREAKTHROUGH CANCER PAIN AND OPIOID-INDUCED CONSTIPATION IN CLINICAL PRACTICE
Andrew Davies (United Kingdom) |
| 13:05 - 13:25 | BREAKTHROUGH CANCER PAIN AND OPIOID-INDUCED CONSTIPATION IN THE REAL WORLD: INTERACTIVE CLINICAL CASES
Mario di Palma (France) |
| 13:25 - 13:40 | Q&A
All faculty |
| 13:40 - 13:45 | SUMMARY AND CLOSE
Bart Morlion (Belgium) |

**TRANSCUTANEOUS ELECTRICAL NERVE STIMULATION (TENS): TOUCHPOINTS TO
INSPIRE PATIENT-DIRECTED CONTROL IN CHRONIC PAIN**

Symposium is organised and supported by

Room 3F

Chair: Rolf-Detlef Treede (Germany)

- | | |
|---------------|--|
| 12:15 - 12:20 | WELCOME AND INTRODUCTION
Rolf-Detlef Treede (Germany) |
| 12:20 - 12:45 | TENS IN CHRONIC PAIN: A FRESH LOOK AT THE EVIDENCE
Mark Johnson (United Kingdom) |
| 12:45 - 13:00 | TENS: VISUALISING THE MECHANISM OF ACTION FOR RELIEF OF CHRONIC PAIN
Dawn Cheshier (GlaxoSmithKline) |
| 13:00 - 13:20 | EVOLVING TENS: HOW ARE NOVEL INNOVATIONS IMPROVING PATIENT CARE?
Christian Maihöfner (Germany) |
| 13:20 - 13:40 | TREATMENTS FOR CHRONIC PAIN: WHAT DO PATIENTS WANT? (PANEL
DISCUSSION)
All faculty |
| 13:40 - 13:45 | SUMMARY AND CLOSE
Rolf-Detlef Treede (Germany) |
